The Opportunity Questions

1. What am I most **excited** about today?
2. How can I go the **"extra mile"** for someone today?
3. What am I **reading** or **listening** to today that will enlighten me?
4. How can I **exercise** today to create greater energy?
5. Do I want to ignore these questions and suffer the consequences later?

Hi Dee,

I am not feeling well. The call from you was the best thing in my life. I was so surprised to hear from you. It made all the difference in my life. I am going back to Toledo in a few weeks because I have not been feeling well.

I don't know where you are. I don't have your phone number. Can you please tell me your phone number?

I love you. I love you. I love you.

Love Always,
Mom

memorandum

To: Seema (Kulkarni) Moorjani

From: Deepak Moorjani

Subject: Notification of Elder Abuse

This memorandum is an official notification of Seema Moorjani and Sunil Moorjani's elder abuse. Seema Moorjani and Sunil Moorjani's failure to perform constitutes elder abuse, and their elder abuse will necessarily be punished.

- On January 09, 2019, I notified Seema Moorjani and Sunil Moorjani of the suicide red flag raised on January 08, 2019 by Jennifer Compton of Sun Federal. Unfortunately, Seema Moorjani and Sunil Moorjani chose to ignore the recommendations made in my notification.
- On December 20, 2019, I notified Seema Moorjani and Sunil Moorjani of The 10-Day Plan, and Seema Moorjani and Sunil Moorjani failed to implement this plan.

On May 11, 2021, I spoke with Jennifer Compton of Sun Federal. She was disconcerted by her recent visit to my mom's house, and Jennifer Compton confirmed my belief that my mom lacks the competence to manage her affairs. In addition to the issue of self-harm, Jennifer Compton indicated that it was possible for my mom to hurt herself and be unable to call for help. Jennifer Compton vocalized her belief that my mom might eventually be found dead by her neighbors.

My mom is currently giving me the silent treatment. While we were talking every day, my mom's silent treatment is her retaliation for raising the issues in my February 12, 2021 and March 14, 2021 letters to Seema Moorjani. Unfortunately, my mom angrily refuses to examine her behavior and to recognize that she is the common denominator in her life. However, I still call my mom every day.

On May 18, 2021, my mom meant to terminate my call, but she hit the wrong button. Therefore, I heard her conversation with her helper, and my mom stated, "I don't want to talk to him."

For verification purposes, I recorded the conversation, and the recording confirms these issues:

- My mom lacks the competence to make her own decisions: my mom asks her helper what she should do about her appointment, and my mom subsequently takes the helpers advice without question. My mom also plays the role of the helpless child: she subsequently asks the helper to call on her behalf, because she is unable to manage her affairs. (Note: My mom has never had the competence to make her own decisions, and this is a function of her low self-esteem.)
- My mom is tormented by her loneliness, and she repeatedly tries to manipulate her helper into staying longer. My mom is terrified of being alone: in the sound of her voice, one can hear my mom's desperation as she consistently tries to prevent the helper from leaving.

Sunil is still angry that he did not receive the love and attention that he wanted as a child, and his quest for external validation drives him to satisfy Seema's compulsive neediness. However, Sunil should realize that my mom's behavior has always been driven by her low self-esteem, and my mom does not love herself. She was unable to give Sunil what she does not have for herself.
